

Scenic Valley Farms 2022 Willamette Valley Pinot Gris

Decanter

93

Skin contact and carbonic maceration combined with ageing in native Oregon oak make this delightful Pinot Gris from Scenic Valley Farms stand out. A wonderfully concentrated vin gris with a bright pink hue. Loads of concentrated pink flowers, wild pollen and dried lavender with intense notes of honeyed apricot. The mouth feel is irresistible as this is a pink wine of substance. Apricot flesh, luxardo cherries, and honey mingle with notes of chicory root and a note of cinnamon stick.
